ISO CERTIFICATION IS ABOUT FOOD SAFETY MANAGEMENT SYSTEM WHICH IS AIMED AT ENSURING THE HYGIENE OF RUNNING ROOM CATERING SERVICES.

THE CERTIFICATION HAS BEEN AWARDED BY: IQNet and CISQ Italy.

FOOD SAFETY POLICY

We, at GPR RUNNING ROOM, for its running room services, are committed to provide the Safe & Hygienic food to our authorized users i.e. Loco Pilots, Asstt. Loco Pilots, Guards and Loco Inspectors who are under rest at running room, through efficient Food Management services to ensure hygienic food service to the running staff while their stay in running.

Food safety policy shall be communicated, implemented and maintained at all levels of the organization & shall be reviewed for continued suitability.

This shall be achieved through up-gradation of technology, competency enhancement and continual improvements of systems & processes within the regulatory framework.
